

## **Justice DTS 2011 Application Letter**

### **Dates**

**Justice DTS** – Starts 2nd of October 2011 and finishes 23<sup>rd</sup> of March 2012.

### **Discipleship Training School (DTS)**

The DTS is for those who want their lives to count for eternity. It is about Christian character, and it is more than theory. It is a journey into the heart of God - a journey of discovery where God's ways become your own. Emphasis is not necessarily on knowledge gained but on principles applied; it is not minds filled with facts but hearts filled with faith. Knowing God personally and obeying Him completely is the bottom line.

The DTS is a special time in your life to seek and know the Lord better. We are committed to doing all we can to help you realize this goal. All staff are non-salaried missionaries dedicated to the training and equipping of Christians who want their lives to count for God and impact their world and generation for good.

PHASE 1 (Lecture phase) is a classroom segment which uses lectures, discussions, workshops, small group interaction and personal study. A close community of students and staff provides an environment where the application of Biblical principles can be lived and worked out. Students benefit from the expertise of lecturers from all over New Zealand and overseas.

Phase 2 (Outreach) is a field assignment ministering as teams in nations around the world. The emphasis is on helping the oppressed and working with missionaries on the field, being inspired by their obedience to the Great Commission and the work they are doing.

### **Curriculum**

The lecture phase curriculum includes: The character of God, prayer and intercession, personal devotions, hearing the voice of God, spiritual warfare, worship, true repentance, holiness and the fear of the Lord, the Father heart of God, relationships, Biblical Christian world view, post-modern evangelism, world missions, etc.

### **Outreach Locations**

There will be a few teams depending on the number of students, each traveling to a different nation. We pray about each destination. Possible locations are in Asia, Africa, and the Middle East.

### **Exact Dates and Costs**

The lecture phase begins on the 2<sup>nd</sup> of October, 2011. The cost is **\$4150 NZD** (includes debrief weeks). This includes tuition, food and board. There is also a transportation fee of **\$500 NZD** and unlimited access to the internet with a fee of **\$50 NZD**.
