

Snowboarders DTS 2011 Application Letter

Dates

19th June 2011 – 11th November 2011.

Discipleship Training School (DTS)

The DTS is for those who want their lives to count for eternity. It is about Christian character, and it is more than theory. It is a journey into the heart of God - a journey of discovery where God's ways become your own. Emphasis is not necessarily on knowledge gained but on principles applied; it is not minds filled with facts but hearts filled with faith. Knowing God personally and obeying Him completely is the bottom line.

The DTS is a special time in your life to seek and know the Lord better. We are committed to doing all we can to help you realize this goal. All staff are non-salaried missionaries dedicated to the training and equipping of Christians who want their lives to count for God and impact their world and generation for good.

PHASE 1 is a three month classroom segment which uses lectures, discussions, workshops, small group interaction and personal study. A close community of students and staff provides an environment where the application of Biblical principles can be lived and worked out. Students benefit from the expertise of lecturers from all over New Zealand and overseas.

PHASE 2 is a two month field assignment ministering as teams in overseas frontier missions - a practical, challenging and powerful experience.

Curriculum

The lecture phase curriculum includes: The character of God, prayer and intercession, personal devotions, hearing the voice of God, spiritual warfare, worship, true repentance, holiness and the fear of the Lord, the Father heart of God, relationships, Biblical Christian world view, post-modern evangelism, world missions, etc.

Exact Dates and Costs

The 12 week lecture phase starts 19th June 2011. The cost is **\$4500 NZD**. This includes tuition, food and board. There is also a transportation fee of **\$1500 NZD** which includes a mountain pass, travel to the slopes, weekend activities and going into Christchurch once a week.

The Oxford YWAM base is comprised of several houses, offices, kitchen, and classrooms. The base is home to an average of thirty staff, and has a maximum capacity of seventy people. It is also just 40 minutes from eight snowboard/ski fields.
